August 29-September 2, 2016

Welcome to Wee Disciples

It was a wonderful first week of preschool. Thank you for helping your child transition so smoothly to preschool. We had a lot of happy children this week. This coming week we will focus on our study of balls. We will talk about what we know about balls and will discuss our favorite ball types. We will also take a look inside a ball. There will be some fun art using balls and paint.

Please return the Directory Consent forms as soon as possible. If you need another form we have more at school.

God's Blessings in the coming week,

Karen Rohrer, Julie Elsts, and Karen Ross

SNACK

Mon/Tues: Rold Gold Pretzels

Wed: Multigrain Cheerios

Thurs: Keebler Club Crackers

Fri: Raisins

***An updated September Snack Calendar will be in student cubbies on Monday. Changes were made due to the addition of a 5 day program option.

Scholastic Book Orders

Scholastic Book Order forms have been placed in your child's cubby. You can turn in an order form to school with a check made out to Scholastic Book Clubs or you may order books online at www.scholasticbookclub.com. Just use the class activation code of: **P7764** to get started. Orders are due by Sept. 7th. When you order books our preschool gets points and I can use these points to order books for our school.

Important Upcoming Dates:

Mon., Sept. 5—No School

Wed., Sept. 7—Comfort Dog Visit

Scholastic Book Orders Due

Journal: The goal for our first journal page of the year is for each student to draw his/her picture. We will complete another self-portrait at the end of the school year. It is always fun to see how the student's drawings mature as they grow.

Skill assessment: This week I will begin checking the student's color and shape recognition skills. The colors that I check are red, yellow, green, blue, purple, orange, black, white, pink, and gray/silver. The shapes that I check are circle, square, rectangle, triangle, oval, star, heart, diamond (rhombus).

Star of the Day Posters:

Please return your child's completed Star Poster when you are finished. The Star of the Day fun begins next week. Watch the newsletter to see when your child's special Star Day will be.

We have a new water table for our playground. Thank you to Ms. Julie for making this table for our school. Her woodworking expertise has been a blessing to our program! Thank you!!!!

Bible Time:

Lessons: God's Love never ends, We are in God's Hands, Creation Story

Songs: "God is So Good" & "He's Got the Whole World In His Hands"

Bible Verse: "God Saw that It was Good."
Genesis 1:31

Unique Balls Needed: Does anyone have a unique ball they would like to share with the preschoolers? I would love for you to bring/send it in to share it with the classes. I have the basic sports balls, but maybe a bowling ball, medicine/workout ball, autographed ball... would be fun to show the classes. Please email me with any ideas you have. Thank you.

Let's have a "ball" at
Wee Disciples Preschool!
