January 30-February 3, 2017

Teacher Notes:

January sure flew by fast. We had so much fun learning all about animals in the winter time. Starting this week, we will learn some Nursery Rhymes and will have activities to help us recreate/tell the fables of the Three Little Pigs and Goldilocks and the Three Bears. A child's understanding of rhyme has been linked to a child's later success in reading. I think it is always good to spend a little time on rhyming, and Nursery Rhymes are a good place to start.

Feb. 1st-March 1st is the early registration period for Wee Disciples Preschool for the 2017-18 school year. I will send home registration forms this week. Please contact me if you have any questions.
