Wee Disciples Classroom News:

This week at Wee Disciples Preschool we will begin a new Gingerbread Man unit. We will read a few versions of the gingerbread man story and have several gingerbread themed activities for the students to explore in the classroom. We even have Gingerbread Playdough! If you would like a copy of the recipe, there are copies posted outside of the classroom on the parent board. January seems to be a busy month for our preschool. Please contact me with any questions. We will pray for warmer weather in the coming week.

God's Peace,

Karen Rohrer, Julie Elsts, and Karen Ross
