Wee Disciples Classroom News:

The students have really had some fun creating zoo's, taking care of "stuffed" Zoo animals, and completing art projects to replicate animal coat patterns. Check out our Wee Disciples Facebook page for pictures of the fun!

In the coming week, we will focus on animals in a zoo. We will talk about animal groups(classes) like mammals, reptiles, birds, amphibians, and fish.

Sharing in God's love,

Karen Rohrer, Julie Elsts, and Karen Ross

Student Valentine's Card Exchange:

You are welcome to send in Valentine's Day Cards on Party Day for your child to pass out to their friends at school. To make the sorting of Valentine's Cards easier for teachers please just sign the cards with your child's name...do not address the cards with classmates' names. The MWF class has 14 students and the TTh class has 11 students. Please do not include candy with cards.
