April 30-May 4, 2018

Wee Disciples Classroom News:

Happy May! We are heading into the last month of school for the 2017-18 school year. I can not believe how fast the year has gone by. I will be working on end of the year progress reports this month. It is so fun to see how the children have grown over the year.

This coming week we continue learning about Birds. We will talk about what birds eat and where birds live this week. We also begin our focus on the Fruits of the Spirit.

God's Blessings to you all,

Karen Rohrer, Julie Elsts, and Karen Ross
