## Wee Disciples News

This week we will begin another unit of study focusing on pumpkins and the farm. We begin by learning about growing pumpkins and the life cycle of a pumpkin to prepare the preschoolers for our field trip to Curtis Apple Orchard where we will visit a pumpkin patch. I think the student will really enjoy learning about pumpkins and pretending with the farm/tractor toys that we have at Wee Disciples.

May God Bless your week,

Karen Rohrer, Julie Elsts, and Karen Ross
